## WELCOME TO THE 79TH LLANGYNIDR GARDEN SHOW

2023 built on the success of 2022 - over 150 exhibitors brought more than 650 entries (not counting the school Handwriting and the children's splendid plants display) to make a fabulous spectacle.

The Family Displays judged by visitors to the show are now firmly established as a favourite class. This year we have again tweaked the range of classes in response to comments from exhibitors and visitors. We will celebrate Llangynidr School's Farm to Fork 2024 topic with a poster collage and a school garden club display.

As we say every year, it's the exhibitors who make the garden show, so don't be shy! Nobody really knows until a couple of days before the show whether their flowers or fruit or veg are going to be in tip top condition on the Sunday. Every entry makes the show more glorious.

The Garden Show always needs funds. On page 17 you will find out more about this year's fund raising activities and an invitation to contribute by becoming a Friend of Llangynidr Garden Show.

If you would like to help in practical ways—on the day or in the run up—please contact one of the committee members.

We look forward to seeing you on Sunday 25 August.

*Llangynidr Garden Show Committee*

### HINTS FOR EXHIBITORS—HORTICULTURAL

- 16-19 Tomatoes: they come in all shapes, colours and sizes. 5 on a plate should be well matched ripe fruit. We have separate classes for the very small 'cherry' tomatoes (Sungold for example) and for beefsteak (Marmande) types. Don't worry—if you put the wrong class on your entry form the judge and stewards will move your exhibit. A truss of tomatoes is judged on number and even development but it doesn't matter if some are not yet ripe.
- 26 Culinary herbs: judged as much on the display as the quality and freshness of the herbs.
- 31-33 Dahlias: what a varied and complicated group of flowers! Our 3 dahlia classes are for (a) 3 of the same type; (b) 3 different types; and (c) a vase of mixed 'small' or 'garden' dahlias. So you would enter your best 'show' dahlias in the first 2 classes and vases of smaller border dahlias in the third one. We are not specifying which type of dahlia (cactus, decorative, single, pompom, etc) to put in your 'show' entries. So for the first class you won't put a round pompom with a frilly cactus because their differences are obvious, but it doesn't matter if you make a technical mistake between types that look the same to you. You may display 3 blooms in the same vase or separate ones.
- 42, 43 Flowers: no added foliage in the vase, please. Make sure petals and leaves are clean and remove damaged bits and pieces. Imagine your flowers looking at the judges (as well as the other way round).
- 38-41 Pot plants: clean the pot and clean up the plant(s) - remove dead and damaged leaves and flowers. Keep turning your pot round so that it gets light on all sides and the plants grow evenly.
- 45, 46 Vegetable display and basket of vegetables for the kitchen: are these different? Yes. The display is judged on presentation and then on the quality and variety of the vegetables (at least 5). The kitchen vegetable basket is for you to show 3 or more different vegetables you would use in everyday cooking—here quality is more important than presentation. (Your 'basket' could also be a box.)

**LLANGYNIDR SCHOOL : FARM TO FORK 2024**

As part of **LLANGYNIDR SCHOOL'S FARM TO FORK TOPIC** the Garden Show will display the posters entered in the competition to paint the front cover of the Llangynidr Agricultural Show programme.

There will also be a display of plants and produce grown by the **SCHOOL GARDEN CLUB**.

On the Show fields you can follow the **FARM TO FORK TRAIL** – find the items on the list, tick them off and claim your prize at the W1 stall.

## FRIENDS OF LLANGYNIDR GARDEN SHOW

The Garden Show Committee is enormously grateful to the many people who give their time and expertise to make the garden show such fun.

However, we face a funding challenge. We have kept entry fees at 50p for many years with free entry for children's exhibits. Some exhibitors (sponsors) also support us by adding small donations to their entry fees.

The committee is holding a plant sale/tea and cake event in May and hopes to offer an opportunity to visit one or more gardens (and eat more cake) in June. Please support these and other ad hoc events to help boost our bank balance.

Encouraged by the success of the Agricultural Show's Vice President programme the committee would like to invite you to make a financial contribution to funds and become a Friend of Llangynidr Garden Show.

We suggest a (minimum) contribution of £20. A form is set out overleaf and available online at [www.llangynidrshow.org](http://www.llangynidrshow.org)

This new Friends scheme is separate from the opportunity to add a small donation to entry fees to help sponsor a class. You are, of course, welcome to do both! Your names will appear on a poster in the Village Hall on the day of the Garden Show (unless you tell us you wish to remain anonymous).

Please join the Friends if you can.

I/ we would like to become Friend(s) of Llangynidr Garden Show

Please send completed forms to Susan Hankey, Llangynidr Garden Show, Ty Cerrig, Llangynidr, NP8 1LN.

**Data protection statement:** The full Llangynidr Garden Show GDPR policy is available on the Llangynidr Show website. As a Friend of Llangynidr Garden Show, you agree that the garden show committee may keep and use personal information provided by Friends only for Garden Show purposes, to maintain a list of Friends and to communicate with them about Garden Show activities; and may publicise Friends' names (but no other data) at the Garden Show and in material such as reports of the show and results on the Llangynidr Show website.

If you have any questions about the Friends scheme, please contact any garden show committee member.

Thank you for your contribution!

## HINTS & RECIPES FOR EXHIBITORS—DOMESTIC

- 54 Tomato canapes: these can be whatever recipe you like but must be wholly home-made, including any toast, cracker or pastry bases.
- 55 Recipe for air fryer cheese scones:  
1 cup plain flour                      2 teaspoons baking powder  
2 cups grated cheese (cheddar or mozzarella work well)  
1/2 cup milk                              1/2 teaspoon flavouring (eg garlic or herbs)  
2 tablespoons chopped chives (optional)  
Method : Mix to a dough, roll out and cut scone shapes.  
Spritz with oil. Air fry 3 to 5 minutes per side 190°
- 62 Recipe for Marmalade Loaf:  
175g butter                              175g caster sugar  
3 large eggs, beaten                      175g self raising flour  
1/2 teaspoon baking powder 3 tablespoons marmalade  
2 tablespoons milk  
To finish : 2 extra tablespoons marmalade  
Method : Beat softened butter until creamy. Gradually beat in the sugar until pale & fluffy. Gradually add the beaten eggs, adding a tablespoon of flour with last portion of egg. Sift remaining flour & baking powder into the mixture & fold in. Add the marmalade & milk. Pour the mixture into a 900g loaf tin & cook at 180° fan/350° F/gas mark 4 for 50/55 minutes until golden brown. Gently warm the extra marmalade & brush over the warm (not hot) cake.
- 71 & 75 Fermentation: We have classes on kimchi (fermented vegetables) and kombucha (fermented tea). If you are new to fermentation there are lots of recipes and lessons around.  
Kimchi: choose whichever vegetable you like—cabbage, other brassicas, kohlrabi, beetroot & fennel all work well and if you are more adventurous you can mix it up a bit!  
Kombucha: water, tea, sugar, a scoby (starter culture, comes with liquid) and starter liquid (from previous brew or original scoby). Again you can be innovative with fruit, vegetable, herb or spicy flavours.

Class 106 Year 5

'The Wind' by James Reeves

I can get through a doorway without any key,  
And strip the leaves from the great oak trees.  
I can drive storm clouds and shake tall towers,  
Or steal through the garden and not wake the flowers.  
Seas I can move and ships I can sink,  
I can carry a house top or the scent of pink.  
When I am angry, I can rave and riot,  
And when I am spent, I lie quiet as quiet.

Class 107 Year 4

'Hill' by Shirley Hughes

Huge clouds Slowly pass; Huge hill Made of grass. Jungle under, Thick and green, Tangled stalks - Creep between;	Scramble up, Hug the ground . . . Suddenly see All around! Watch out, fences, Field and town! From the top of the world I come rolling down
---	--

Class 108 Year 3

'What is Pink?' by Christina Rossetti

What is pink? A rose is pink  
By the fountain's brink.  
What is red? A poppy's red  
In its barley bed.  
What is blue? The sky is blue  
Where the clouds float through.  
What is white? A swan is white  
Sailing in the light.

What is yellow? Pears are yellow,  
Rich and ripe and mellow.  
What is green? The grass is green,  
With small flowers inbetween.  
What is violet? Clouds are violet  
In the summer twilight.  
What is orange? Why, an orange,  
Just an orange!

'Mud' by Polly Chase Boyden

Mud is very nice to feel  
All squishy-squash between the toes!  
I'd rather wade in wiggly mud  
Than smell a yellow rose.

Nobody else but the rosebush knows  
How nice mud feels  
Between the toes.

'I'm Glad the Sky is Painted Blue' by unknown author

I'm glad the sky is painted blue,  
And the earth is painted green,  
With such a lot of nice fresh air  
All sandwiched in between.

**HINTS FOR CHILDREN'S CLASSES**

Remember to put the child's age as well as their name on the exhibitor card—there will be a space for this—so that the stewards can help the judges note where, for example, a child is entering a class above his or her actual age group

## LLANGYNIDR SEWING FOR CHARITY

Class 84 invites you to make a syringe driver bag - a bag to carry a portable battery-operated pump that administers drugs subcutaneously - out of washable fabrics and to donate the bag you exhibit to Llangynidr Sewing for Charity so that it can be delivered to a hospice to help a patient get about more easily. There is no fee for this class.

### **Class 84 - make and donate a syringe driver bag**

**Material:** cut two pieces of different washable fabrics 60cm x 25cm for the bag. Cut a single long piece 140cm x 12cm for the strap.

**Strap:** fold in the edges of the strap fabric about 2cm on all sides and iron. Fold in half down the length so that the right side is on the outside to form a strap about 5cm wide. Sew the open edges across the top, down the length and at the bottom of the strap. Put to one side.

**Bag:** with right sides together sew down the length, across one width and up the other length of the two 60cm x 25cm pieces of fabric to form a bag (like a pillowcase). Leave a 2cm seam around the edge.

\* Turn the material the right way round - it will be about 58cm x 22cm. When folded in half this forms the bag.

\* Fold the open edge in and sew across the top creating one long piece of fabric, with all seams on the inside. Fold this in half. This will form your bag approx. 27cm long and 22cm wide. (The McKinley T34 syringe driver including its clear plastic case is 22cm x 10.5 cm x 4cm)

\* The sides of your bag will now be made up of four layers. Sew from the fold to the opening on each side of the bag 1cm in from the edge. The contrast on the inside shows on the outside like 'piping'.

Sew the strap onto the sides of the bag, opening up the 'piping'.

**SEWING FOR CHARITY** is a great way to use your sewing skills to help others. Here are some ways you can get involved:

Come and join us: we meet on the 2nd Monday of the month 6–9pm in Llangynidr Village Hall, to sew, swap ideas and help each other out. Otherwise you can just sew along at home.

Donate – consider making a small donation to help cover shipping costs and supplies.

Donate fabric – we can use your unused, clean 100% cotton fabric

Charities supported: 'Dress a girl around the world', 'Siblings Together', 'Pyjama Fairies' and various hospices around the country.
